## **Women at the Bar.**

The number of women who are admitted to the bar is constantly increasing, in fact it will soon be no incident of note when a large proportion of an incoming class of lawyers are women. Eighty-six new lawyers were sworn in in the Appellate Division of the Supreme Court of New York City on the 16th of February, Justice Brunt then presiding and making an address of congratulation. Two of the eighty-six were women. They were Mrs. Louise F. Gignoux and Miss Pauline Kuhlke.
